From Captain P. A. Pride, Jackson District Commander

Subject District Nine Awards Banquet

Many District Nine employees were honored for the exceptional ethic in which they performed their duties during 2009. Those receiving awards were selected by their peers and supervisors for distinguished individual accomplishments throughout the year. District Nine employees can be very proud of the "Team Effort" displayed by all members of the District in 2009.

Our annual awards banquet is a time for our entire District to celebrate our individual and collective accomplishments.
